

We are posting the following list of Brotherhood burials in Mount Carmel Cemetery in Queens, New York for two primary reasons: 1) to enable members of our community who may not know exactly where their ancestors are buried to visit the gravesites and 2) to help with genealogical research.

The information gathered here was accessed through Mt. Carmel's website and we thank them for the excellent work they have done. We encourage you to visit the website for further information:

<http://www.mountcarmelcemetery.com/page.asp?id=aboutus#grounds>

We have not changed the spelling from the Mt. Carmel website even though we feel that there are mistakes. If after visiting a gravesite and finding a different spelling from that listed, please contact us so that we can change the pre-existing spelling. Do bear in mind that there will be variations in spellings on the tombstones themselves.

For those of you who visit the gravesites, leave some extra stones for those who may seem to have been forgotten. It may be that their relatives have moved far away. And, please, if you see stones that appear to be damaged, or plots that need attending, do pass this information on to the Brotherhood.

Finally, if you take photos, please pass them on to us. We have been archiving Brotherhood tombstone photos and your help is always appreciated.
